

Bean, Kinney & Korman's 60th Anniversary is All About Giving Back

December 17, 2019

ARLINGTON, VA, — Bean, Kinney & Korman is pleased to share that in recognition of their 60th Anniversary in 2019, the firm has given back to the community by completing more than 60 charitable acts and donations within this calendar year.

Community and service to others has always been at the forefront of Bean Kinney's culture and values. In 2019, there was much to celebrate with the firm's achievement of 60 years. It seemed more than appropriate for attorneys and staff alike to show their appreciation and give back to the community in celebration of its anniversary. Bean Kinney has worked with, and for, numerous service organizations over the years, organizations that continuously support those in need and make a difference in the lives of individuals and families throughout the D.C. area.

Some examples of how Bean Kinney gave back this year include: volunteering their time on evenings and weekends for local non-profits, donating food/toys/gifts & service to local families, sponsoring events and fundraisers, teaching elementary and law students and cleaning area public parks, among many others.

"With the holiday season upon us, I would like to thank everyone at Bean Kinney for their community service above and beyond their daily work at the firm," said Timothy Hughes, Managing Shareholder, Bean, Kinney & Korman. "I wish all of our colleagues, clients, friends and community leaders a wonderful holiday and joyous new year."
