

Professional Staff

Legal assistants, paralegals and support staff are vital to the success of any firm. Ours is no exception. We recognize the need for motivated and seasoned support and are committed to recruiting and retaining staff who demonstrate the desire to work as a team and the daily pursuit of excellence. We don't have the revolving door syndrome of staff turnover that often makes professional life miserable.

Our staff also values the benefits we offer including a great location only a block from Metro in the heart of Arlington's Rosslyn-Ballston Corridor, a congenial work environment, competitive salaries and a comprehensive benefits package including paid parking & a free fitness facility.

While there are no immediate staff openings at this time, we are always interested in hearing from individuals with an interest in our assistant or paralegal positions.
