

VIRGINIA ACTS OF ASSEMBLY — CHAPTER

An Act to amend and reenact § 20-108.2 of the Code of Virginia, relating to child support guidelines.

[H 933]

Approved

Be it enacted by the General Assembly of Virginia:

1. That § 20-108.2 of the Code of Virginia is amended and reenacted as follows:

§ 20-108.2. Guideline for determination of child support; quadrennial review by Child Support Guidelines Review Panel; executive summary.

A. There shall be a rebuttable presumption in any judicial or administrative proceeding for child support under this title or Title 16.1 or 63.2, including cases involving split custody or shared custody, that the amount of the award which would result from the application of the guidelines set forth in this section is the correct amount of child support to be awarded. In order to rebut the presumption, the court shall make written findings in the order as set out in § 20-108.1, which findings may be incorporated by reference, that the application of the guidelines would be unjust or inappropriate in a particular case as determined by relevant evidence pertaining to the factors set out in § 20-108.1. The Department of Social Services shall set child support at the amount resulting from computations using the guidelines set out in this section pursuant to the authority granted to it in Chapter 19 (§ 63.2-1900 et seq.) of Title 63.2 and subject to the provisions of § 63.2-1918.

B. For purposes of application of the guideline, a basic child support obligation shall be computed using the schedule set out below. For combined monthly gross income amounts falling between amounts shown in the schedule, basic child support obligation amounts shall be extrapolated. However, unless one of the following exemptions applies where the sole custody child support obligation as computed pursuant to subdivision G 1 is less than \$65 the statutory minimum per month, there shall be a presumptive minimum child support obligation of \$65 the statutory minimum per month payable by the payor parent. *If the gross income of the obligor is equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of Health and Human Services from time to time, then the court, upon hearing evidence that there is no ability to pay the presumptive statutory minimum, may set an obligation below the presumptive statutory minimum provided doing so does not create or reduce a support obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and provide other basic necessities for the child.* Exemptions from this presumptive minimum monthly child support obligation shall include: parents unable to pay child support because they lack sufficient assets from which to pay child support and who, in addition, are institutionalized in a psychiatric facility; are imprisoned for life with no chance of parole; are medically verified to be totally and permanently disabled with no evidence of potential for paying child support, including recipients of Supplemental Security Income (SSI); or are otherwise involuntarily unable to produce income. "Number of children" means the number of children for whom the parents share joint legal responsibility and for whom support is being sought.

996 C. For purposes of this section, "gross income" means all income from all sources, and shall include,  
 997 but not be limited to, income from salaries, wages, commissions, royalties, bonuses, dividends, severance  
 998 pay, pensions, interest, trust income, annuities, capital gains, social security benefits except as listed  
 999 below, workers' compensation benefits, unemployment insurance benefits, disability insurance benefits,  
 1000 veterans' benefits, spousal support, rental income, gifts, prizes or awards.

1001 If a parent's gross income includes disability insurance benefits, it shall also include any amounts  
 1002 paid to or for the child who is the subject of the order and derived by the child from the parent's  
 1003 entitlement to disability insurance benefits. To the extent that such derivative benefits are included in a  
 1004 parent's gross income, that parent shall be entitled to a credit against his or her ongoing basic child  
 1005 support obligation for any such amounts, and, if the amount of the credit exceeds the parent's basic child  
 1006 support obligations, the credit may be used to reduce arrearages.

1007 Gross income shall be subject to deduction of reasonable business expenses for persons with income  
 1008 from self-employment, a partnership, or a closely held business. "Gross income" shall not include:

- 1009 1. Benefits from public assistance and social services programs as defined in § 63.2-100;
- 1010 2. Federal supplemental security income benefits;

1011 3. Child support received; or

1012 4. Income received by the payor from secondary employment income not previously included in  
 1013 "gross income," where the payor obtained the income to discharge a child support arrearage established  
 1014 by a court or administrative order and the payor is paying the arrearage pursuant to the order.  
 1015 "Secondary employment income" includes but is not limited to income from an additional job, from  
 1016 self-employment, or from overtime employment. The cessation of such secondary income upon the  
 1017 payment of the arrearage shall not be the basis for a material change in circumstances upon which a  
 1018 modification of child support may be based.

1019 For purposes of this subsection: (i) spousal support received shall be included in gross income and  
 1020 spousal support paid shall be deducted from gross income when paid pursuant to an order or written  
 1021 agreement and (ii) one-half of any self-employment tax paid shall be deducted from gross income.

1022 Where there is an existing court or administrative order or written agreement relating to the child or  
 1023 children of a party to the proceeding, who are not the child or children who are the subject of the  
 1024 present proceeding, then there is a presumption that there shall be deducted from the gross income of  
 1025 the party subject to such order or written agreement, the amount that the party is actually paying for the  
 1026 support of a child or children pursuant to such order or agreement.

1027 Where a party to the proceeding has a natural or adopted child or children in the party's household  
 1028 or primary physical custody, and the child or children are not the subject of the present proceeding,  
 1029 there is a presumption that there shall be deducted from the gross income of that party the amount as  
 1030 shown on the Schedule of Monthly Basic Child Support Obligations contained in subsection B that  
 1031 represents that party's support obligation based solely on that party's income as being the total income  
 1032 available for the natural or adopted child or children in the party's household or primary physical  
 1033 custody, who are not the subject of the present proceeding. Provided, however, that the existence of a  
 1034 party's financial responsibility for such a child or children shall not of itself constitute a material change  
 1035 in circumstances for modifying a previous order of child support in any modification proceeding. Any  
 1036 adjustment to gross income under this subsection shall not create or reduce a support obligation to an  
 1037 amount which seriously impairs the custodial parent's ability to maintain minimal adequate housing and  
 1038 provide other basic necessities for the child, as determined by the court.

1039 In cases in which retroactive liability for support is being determined, the court or administrative  
 1040 agency may use the gross monthly income of the parties averaged over the period of retroactivity.

1041 D. Except for good cause shown or the agreement of the parties, in addition to any other child  
 1042 support obligations established pursuant to this section, any child support order shall provide that the  
 1043 parents pay in proportion to their gross incomes, as used for calculating the monthly support obligation,  
 1044 any reasonable and necessary unreimbursed medical or dental expenses that are in excess of \$250 for  
 1045 any calendar year for each child who is the subject of the obligation. The method of payment of those  
 1046 expenses shall be contained in the support order. Each parent shall pay his respective share of expenses  
 1047 as those expenses are incurred. Any amount paid under this subsection shall not be adjusted by, nor  
 1048 added to, the child support calculated in accordance with subsection G. For the purposes of this section,  
 1049 medical or dental expenses shall include but not be limited to eyeglasses, prescription medication,  
 1050 prosthetics, orthodontics, and mental health or developmental disabilities services, including but not  
 1051 limited to services provided by a social worker, psychologist, psychiatrist, counselor, or therapist.

1052 E. Any costs for health care coverage as defined in § 63.2-1900 and dental care coverage, when  
 1053 actually being paid by a parent or that parent's spouse, to the extent such costs are directly allocable to  
 1054 the child or children, and which are the extra costs of covering the child or children beyond whatever  
 1055 coverage the parent or that parent's spouse providing the coverage would otherwise have, shall be added  
 1056 to the basic child support obligation.

1057 F. Any child-care costs incurred on behalf of the child or children due to employment of the  
 1058 custodial parent shall be added to the basic child support obligation. Child-care costs shall not exceed  
 1059 the amount required to provide quality care from a licensed source. When requested by the noncustodial  
 1060 parent, the court may require the custodial parent to present documentation to verify the costs incurred  
 1061 for child care under this subsection. Where appropriate, the court shall consider the willingness and  
 1062 availability of the noncustodial parent to provide child care personally in determining whether child-care  
 1063 costs are necessary or excessive. Upon the request of either party, and upon a showing of the tax  
 1064 savings a party derives from child-care cost deductions or credits, the court shall factor actual tax  
 1065 consequences into its calculation of the child-care costs to be added to the basic child support obligation.

1066 G. 1. Sole custody support. The sole custody total monthly child support obligation shall be  
 1067 established by adding (i) the monthly basic child support obligation, as determined from the schedule  
 1068 contained in subsection B, (ii) costs for health care coverage to the extent allowable by subsection E,  
 1069 and (iii) work-related child-care costs and taking into consideration all the factors set forth in subsection  
 1070 B of § 20-108.1. The total monthly child support obligation shall be divided between the parents in the  
 1071 same proportion as their monthly gross incomes bear to their monthly combined gross income. The

1072 monthly obligation of each parent shall be computed by multiplying each parent's percentage of the  
1073 parents' monthly combined gross income by the total monthly child support obligation.

1074 However, the monthly obligation of the noncustodial parent shall be reduced by the cost for health  
1075 care coverage to the extent allowable by subsection E when paid directly by the noncustodial parent or  
1076 that parent's spouse. Unreimbursed medical and dental expenses shall be calculated and allocated in  
1077 accordance with subsection D.

1078 2. Split custody support. In cases involving split custody, the amount of child support to be paid  
1079 shall be the difference between the amounts owed by each parent as a noncustodial parent, computed in  
1080 accordance with subdivision 1, with the noncustodial parent owing the larger amount paying the  
1081 difference to the other parent. Unreimbursed medical and dental expenses shall be calculated and  
1082 allocated in accordance with subsection D.

1083 For the purpose of this section and § 20-108.1, split custody shall be limited to those situations  
1084 where each parent has physical custody of a child or children born of the parents, born of either parent  
1085 and adopted by the other parent or adopted by both parents. For the purposes of calculating a child  
1086 support obligation where split custody exists, a separate family unit exists for each parent, and child  
1087 support for that family unit shall be calculated upon the number of children in that family unit who are  
1088 born of the parents, born of either parent and adopted by the other parent or adopted by both parents.  
1089 Where split custody exists, a parent is a custodial parent to the children in that parent's family unit and  
1090 is a noncustodial parent to the children in the other parent's family unit.

1091 3. Shared custody support.

1092 (a) Where a party has custody or visitation of a child or children for more than 90 days of the year,  
1093 as such days are defined in subdivision G 3 (c), a shared custody child support amount based on the  
1094 ratio in which the parents share the custody and visitation of any child or children shall be calculated in  
1095 accordance with this subdivision. The presumptive support to be paid shall be the shared custody  
1096 support amount, unless a party affirmatively shows that the sole custody support amount calculated as  
1097 provided in subdivision G 1 is less than the shared custody support amount. If so, the lesser amount  
1098 shall be the support to be paid. For the purposes of this subsection, the following shall apply:

1099 (i) Income share. "Income share" means a parent's percentage of the combined monthly gross income  
1100 of both parents. The income share of a parent is that parent's gross income divided by the combined  
1101 gross incomes of the parties.

1102 (ii) Custody share. "Custody share" means the number of days that a parent has physical custody,  
1103 whether by sole custody, joint legal or joint residential custody, or visitation, of a shared child per year  
1104 divided by the number of days in the year. The actual or anticipated "custody share" of the parent who  
1105 has or will have fewer days of physical custody shall be calculated for a one-year period. The "custody  
1106 share" of the other parent shall be presumed to be the number of days in the year less the number of  
1107 days calculated as the first parent's "custody share." For purposes of this calculation, the year may begin  
1108 on such date as is determined in the discretion of the court, and the day may begin at such time as is  
1109 determined in the discretion of the court. For purposes of this calculation, a day shall be as defined in  
1110 subdivision G 3 (c).

1111 (iii) Shared support need. "Shared support need" means the presumptive guideline amount of needed  
1112 support for the shared child or children calculated pursuant to subsection B of this section, for the  
1113 combined gross income of the parties and the number of shared children, multiplied by 1.4.

1114 (iv) Sole custody support. "Sole custody support" means the support amount determined in  
1115 accordance with subdivision G 1.

1116 (b) Support to be paid. The shared support need of the shared child or children shall be calculated  
1117 pursuant to subdivision G 3 (a) (iii). This amount shall then be multiplied by the other parent's custody  
1118 share. To that sum for each parent shall be added the other parent's or that parent's spouse's cost of  
1119 health care coverage to the extent allowable by subsection E, plus the other parent's work-related  
1120 child-care costs to the extent allowable by subsection F. This total for each parent shall be multiplied by  
1121 that parent's income share. The support amounts thereby calculated that each parent owes the other shall  
1122 be subtracted one from the other and the difference shall be the shared custody support one parent owes  
1123 to the other, with the payor parent being the one whose shared support is the larger. Unreimbursed  
1124 medical and dental expenses shall be calculated and allocated in accordance with subsection D.

1125 (c) Definition of a day. For the purposes of this section, "day" means a period of 24 hours; however,  
1126 where the parent who has the fewer number of overnight periods during the year has an overnight  
1127 period with a child, but has physical custody of the shared child for less than 24 hours during such  
1128 overnight period, there is a presumption that each parent shall be allocated one-half of a day of custody  
1129 for that period.

1130 (d) Minimum standards. Any calculation under this subdivision shall not create or reduce a support  
1131 obligation to an amount which seriously impairs the custodial parent's ability to maintain minimal  
1132 adequate housing and provide other basic necessities for the child. If the gross income of either party is

1133 equal to or less than 150 percent of the federal poverty level promulgated by the U.S. Department of  
 1134 Health and Human Services from time to time, then the shared custody support calculated pursuant to  
 1135 this subsection shall not be the presumptively correct support and the court may consider whether the  
 1136 sole custody support or the shared custody support is more just and appropriate.

1137 (e) Support modification. When there has been an award of child support based on the shared  
 1138 custody formula and one parent consistently fails to exercise custody or visitation in accordance with the  
 1139 parent's custody share upon which the award was based, there shall be a rebuttable presumption that the  
 1140 support award should be modified.

1141 (f) In the event that the shared custody support calculation indicates that the net support is to be paid  
 1142 to the parent who would not be the parent receiving support pursuant to the sole custody calculation,  
 1143 then the shared support shall be deemed to be the lesser support.

1144 H. The Secretary of Health and Human Resources shall ensure that the guideline set out in this  
 1145 section is reviewed by October 31, 2001, and every four years thereafter, by the Child Support  
 1146 Guidelines Review Panel, consisting of 15 members comprised of four legislative members and 11  
 1147 nonlegislative citizen members. Members shall be appointed as follows: three members of the House  
 1148 Committee for Courts of Justice, upon the recommendation of the chairman of such committee, to be  
 1149 appointed by the Speaker of the House of Delegates in accordance with the principles of proportional  
 1150 representation contained in the Rules of the House of Delegates; one member of the Senate Committee  
 1151 for Courts of Justice, upon the recommendation of the chairman of such committee, to be appointed by  
 1152 the Senate Committee on Rules; and one representative of a juvenile and domestic relations district  
 1153 court, one representative of a circuit court, one representative of the Department of Social Services'  
 1154 Division of Child Support Enforcement, three members of the Virginia State Bar, two custodial parents,  
 1155 two noncustodial parents, and one child advocate, upon the recommendation of the Secretary of Health  
 1156 and Human Resources, to be appointed by the Governor. The Panel shall determine the adequacy of the  
 1157 guideline for the determination of appropriate awards for the support of children by considering current  
 1158 research and data on the cost of and expenditures necessary for rearing children, and any other resources  
 1159 it deems relevant to such review. The Panel shall report its findings to the General Assembly as  
 1160 provided in the procedures of the Division of Legislative Automated Systems for the processing of  
 1161 legislative documents and reports before the General Assembly next convenes following such review.

1162 Legislative members shall serve terms coincident with their terms of office. Nonlegislative citizen  
 1163 members shall serve at the pleasure of the Governor. All members may be reappointed. Appointments to  
 1164 fill vacancies, other than by expiration of a term, shall be made for the unexpired terms. Vacancies shall  
 1165 be filled in the same manner as the original appointments.

1166 Legislative members shall receive such compensation as provided in § 30-19.12, and nonlegislative  
 1167 citizen members shall receive such compensation for the performance of their duties as provided in  
 1168 § 2.2-2813. All members shall be reimbursed for all reasonable and necessary expenses incurred in the  
 1169 performance of their duties as provided in §§ 2.2-2813 and 2.2-2825. Funding for the costs of  
 1170 compensation and expenses of the members shall be provided by the Department of Social Services.

1171 The Department of Social Services shall provide staff support to the Panel. All agencies of the  
 1172 Commonwealth shall provide assistance to the Panel, upon request.

1173 The chairman of the Panel shall submit to the Governor and the General Assembly a quadrennial  
 1174 executive summary of the interim activity and work of the Panel no later than the first day of 2006  
 1175 regular session of the General Assembly and every four years thereafter. The executive summary shall  
 1176 be submitted as provided in the procedures of the Division of Legislative Automated Systems for the  
 1177 processing of legislative documents and reports and shall be posted on the General Assembly's website.
