INDUSTRIES

Associations & Nonprofit Organizations

Timothy Hughes is the managing shareholder of Bean, Kinney & Korman. In that role, Tim is charged with managing the strategy, talent, and finances of the law firm.

Tim's practice started in litigation and alternative dispute resolution. While the practice focused with clients in the construction and real estate industries, he handled other commercial disputes as well. Tim has extensive bench trial and jury trial experience. In addition, Tim has broad experience with alternative dispute resolution processes, including both mediation and binding arbitration.

Over time, Tim began representing these commercial litigation clients as outside general counsel with respect to a variety of business, corporate, and sophisticated contract negotiation matters.

Tim continues to represent extensive numbers of clients in the real estate and construction industries in both litigation and transactional matters. He also acts as outside general counsel to a wide variety of businesses, with a focus in non-profits and small and medium businesses. In addition to having served on numerous non-profit boards, he represents non-profit organizations on corporate governance, bylaws, and policy development.

EXPERIENCE

- Acted as lead outside general counsel for a private university. Work included managing employment, regulatory, risk management, and contract negotiations efforts.
- Acted as lead counsel for regional entity on significant trademark enforcement measures, including multiple pieces of successful trademark enforcement litigation.
- Acted as outside general counsel for multiple non-profit entities and associations; developed policies, bylaws, and provided governance advice; provided employment and risk management advice.
- Represented significant regional/national commercial and mixed-use developer in drafting complete suite of construction

and architectural form agreements for use on large scale construction and development projects.

- Represented a payment bond clamant in a highly complex delay and equitable adjustment claim arising from a power plant. The case resulted in two national first impression decisions on AIA bond claims. Ultimately the claimant, Casey Industrial, resolved the case.
- Represented Parex, an EIS manufacturer, on all their products liability cases throughout Virginia. The cases resulted ultimately in a favorable Supreme Court of Virginia opinion establishing law on the economic loss rule.

REPORTED CASES

- Bindra v. Michael Bowman & Assocs., Inc. 58 Va. Cir. 47 (2002)
- Casey Indus. v. Seaboard Sur. Co., No. 1:06cv249, 2006 U.S. Dist. LEXIS 22519 at *1 (E.D. Va. Apr. 20, 2006)

BEYOND THE SUIT

When not working or obsessing over current events and history, Tim is almost certain to be found hanging with his awesome wife and two wonderful kids. The perfect setting would be strumming a guitar on a porch in Culebra. Tromping through the local woods with the dog or even just cooking dinner for the family while listening to music or a podcast works just fine too.
